Digital Tools for Vscan Air™ trial

Experience the Power of Digital Tools for Vscan Air

Start your 60-day trial now

Handheld ultrasounds are convenient but image management and remote teamwork can be challenging

- ✗ Difficulty with real-time collaboration
- ✗ Complexities of sharing and managing images
- ✗ Concerns about security and compliance

Digital Tools for Vscan Air makes those limitations a thing of the past and helps you unleash the power of your Vscan Air.

This trial of Digital Tools is now available for up to 60-days to both existing and new Vscan Air users.

Your trial. Your practice. Your patients.

The best way to evaluate new software is in your practice with your patients. This 60-day trial allows you to do just that. During the trial period you'll have full access to all that the Digital Tools have to offer.

You get to decide if the added control, privacy, convenience and collaboration tools are moving your practice forward.

Faster decisions. Better care.

With Digital Tools for Vscan Air you'll have access to key tools including:

MyImageCloud

Securely store and share your images in the cloud anytime, anywhere

- Access images and data from anywhere
- Don't worry about storage
- Flexibility in patient management

MyRemoteShare¹

Share exams instantly and collaborate in real time

- Connect with colleagues in real time for immediate insights
- Easy, secure sharing directly from the Vscan Air App
- Improve diagnostic confidence and save time

Ready to optimize your workflow?

Buying a new Vscan Air?

Simply add Vscan Air Digital Tools to your shopping cart*

Already own a Vscan Air?

Fill out this form and we'll get back to you within 3 business days. All you need is your device serial number(s)**

1. MyRemoteShare is not intended for diagnostic use.

Products mentioned in the material may be subject to government regulations and may not be available in all countries. Terms and conditions apply. Shipment and effective sale can only occur after approval from the regulator. Please check with your local GE HealthCare representative for details.

*During your trial, you can cancel anytime within 60-days without being charged. If not canceled, your subscription will be billed to your original payment method.

**During the trial, you have access to the software for up to 60 days. To continue enjoying your software benefits make sure to purchase before the end of the trial period.
